Dear Parents & Families:

The Fall Scholastic Book Fair will take place on November 19th, 20th & 21st. Information regarding the Book Fair will be placed on the Virtual Back Pack next week, but we also are getting ready to launch our “All for Books” program!

The “All for Books” initiative allows us to bring more books to our students at Newell Elementary. All the money collected goes directly to purchase books for the school. Scholastic then MATCHES the “All for Books” amount we collect with a donation to three non-profit programs devoted to improving reading skills among children: Kids in Distressed Situations, National Center for Family Literacy and Toys for Tots.

The week of November 17th, students in Grades pre-K to 4 can bring in spare change to place in the special containers that will be located in each classroom. The coins will be collected at the end of the week and the students in the three classrooms that collects the most coins will each receive a pizza party! So get rid of that loose change, support Newell Elementary and promote literacy for children!!

Thank you!! If you have any questions, please call Stacey Blecher, PTA Book Fair Chairperson, at 609.658.5434.
